Minutes of meeting

Meeting with staff members of Devkiba College was conducted in Computer lab on 12/04/2019 at 12.30 pm and was chaired by Principal Sir Prof. Dr. Ambadas Jadhav. Following suggestions and points were discussed.

- Principal told all the faculty members that they should correct FY & SY papers with in 5/6 days of commencement of paper and immediately marks should be uploaded. And university papers should be corrected in numbers, minimum 50 or 1.6 times of students in subject, whichever is higher.

To this TY exam in-charge Dr. Amee Oza raised a point that as exam in-charge has to come during whole examination, during vacation as well, she cannot check papers OSM under this minimum criteria or else in-chargeship for TY exams to be divided in two persons. Principal Sir asked TY exam in-charge to give this in writing.

HOD commerce Ms Shobhana Dangwar and Mr Atul Rathod raised a point that if faculty is taking more than one subject and number of students in one class is more, then it is impossible to correct 1.6 times of OSM papers. As the process of OSM is time consuming.

Mr Tejas Rohit raised a point that faculties come during vacation for corrections forcefully but even then result of the same did not get declare on time.

Many faculties who have previously corrected papers through OSM mention that they have not received the remuneration for online checking of past two years, so this year they will not do OSM unless they receive a pending bill.

- Principal informed all the faculty members that they can come on any 8 days in may before 25th may 2019 while faculty should be present whenever called for admission after declaration of result of std 12th.

- Principal propose that for admissions, ground floor to be dedicated for FY admissions while 1st floor for SY & TY admissions and partial fee from students should be avoided.
- Principal further informed all the faculty members that on 3rd June 2019 college will reopen and classes for SY & TY to be resumed on 6th June 2019
- Principal informed all that result of FY/SY to be declared by 2nd June 2019.

When a student is late or indulges in ragging or malpractice of the other anti-social activities these can be indicated in the card and duly signed by the concerned member's staff the student will have to produce this card at the time receiving Hall ticket or TC so that disciplinary action can be initiated against the offender.
4. The tutorial system which was in practice earlier to be re-introduced with some modifications. It could be interdisciplinary with tutors and that wards belonging to different departments. Girls may be placed and under women members & staff for letter report. Tutor should play the role of friend, guide and philosopher, counseling their wards when necessary leading emotional support, helping them with filling forms, etc.

As documentation is an important role of IQAC the members suggested that a manual should be opened and the same circulated to all members of staff so that they could forward reports, achievements details, etc.
